ABOUT IMEX

For more than 20 years, Imex has been trusted by homeowners, designers and bathroom specialists across the UK to deliver baths of exceptional quality and lasting performance.

Every collection is created with a commitment to outstanding craftsmanship, thoughtful design and materials chosen to stand the test of time.

With extensive product guarantees, UK-based customer service and a dedication to delivering excellence at every stage, Imex offers confidence as well as comfort - helping you create a bathroom you'll enjoy for years to come.

OUR PHILOSOPHY

We believe the best bathrooms are designed around people, not products. They are spaces that restore, inspire and become part of everyday life. That's why every bath we create is designed with the same commitment to craftsmanship, comfort and enduring quality.

PREMIERCAST

BATHS OF STRENGTH & BEAUTY

WHY CHOOSE PREMIERCAST?

Premiercast represents the pinnacle of our bathmaking expertise, combining exceptional craftsmanship with uncompromising performance.

Every bath is meticulously constructed using seven layers of fibreglass core matting and resin bonding to create a bath of outstanding strength, remarkable durability and superb heat retention, ensuring your bathing experience remains warm, comfortable and effortlessly luxurious.

Designed to be enjoyed for a lifetime, every Premiercast bath is backed by our Lifetime Guarantee - a reflection of the confidence we place in its quality, craftsmanship and enduring performance.

Beautifully made and built to last, Premiercast offers the reassurance that your investment will continue to deliver comfort and elegance for many years to come.

THE PREMIERCAST DIFFERENCE

High-quality 5mm acrylic provides a smooth bathing surface, exceptional comfort, and excellent heat retention.

Seven layers of resin-bonded fibreglass fully encapsulate the timber frame and bath base, providing superior strength and rigidity.

Solid core reinforcement with a full-width galvanised leg set ensures exceptional stability, strength, and long-lasting durability.

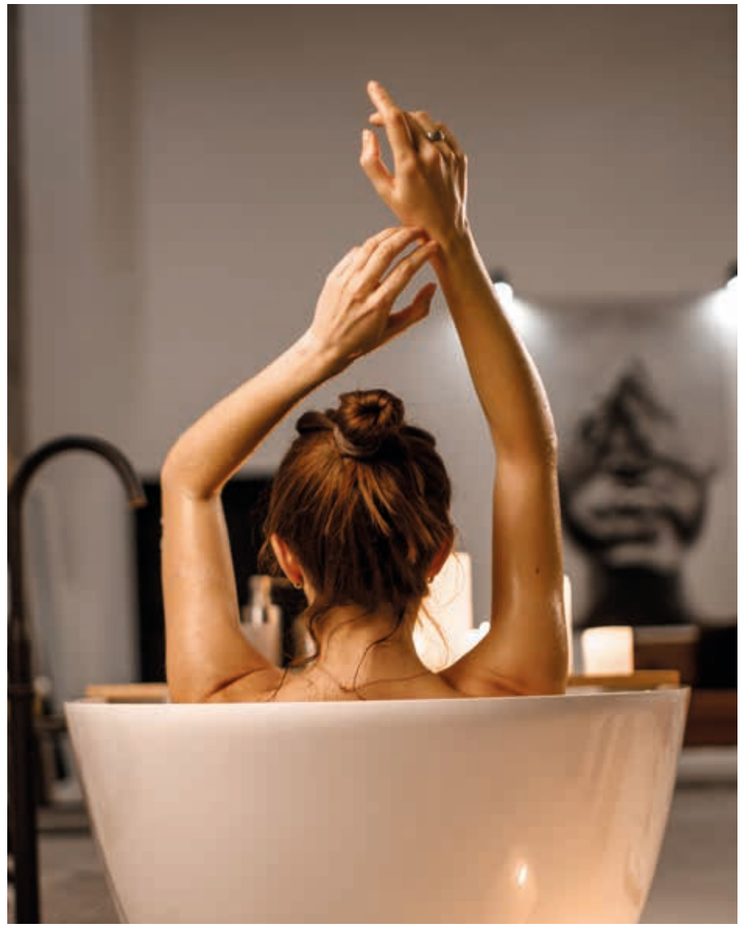

Strong, colour-matched reinforced panels ensure lasting durability and a beautifully consistent bathroom aesthetic.

Our **LIFETIME GUARANTEE** provides lasting reassurance, reflecting the quality built into every bath.

Every bath is individually hand buffed and polished in the UK to achieve a beautifully smooth, flawless finish.

FOR YOUR RELAXATION

There is something truly indulgent about a freestanding bath.

Gracefully positioned as the focal point of the room, it transforms the bathroom into a private retreat where comfort and tranquillity take centre stage.

Crafted to retain warmth and offer exceptional comfort, our Premiercast freestanding baths invite you to unwind, reconnect and savour those quiet moments that are all too rare.

THE HEART OF EVERY HOME

Our built-in baths are designed to complement modern family living, combining refined styling with everyday functionality.

Whether it's the morning rush, bath time for little ones or a well-earned soak at the end of the day, each bath is thoughtfully crafted to deliver lasting comfort, durability and timeless appeal.

Designed to integrate seamlessly into your space, they provide the perfect foundation for bathrooms that work effortlessly for every generation.

SHOWER BATHS

Combining the best of both worlds, shower baths are the perfect solution for busy lifestyles where flexibility is essential.

Styles and designs for you

Imex built-in baths combine elegant design, practical functionality and exceptional craftsmanship. Designed for modern bathrooms, they deliver lasting comfort, contemporary style, reliable performance and durability.
